HarperCollins Publishers, United Kingdom, 2008. Paperback. Book Condition: New. 198 x 129 mm. Language: N/A. Brand New Book. The sparkling new novel by the bestselling author of THE TRIALS OF TIFFANY TROTT and THE MAKING OF MINTY MALONE. Faith has arranged a surprise party at a West London restaurant to celebrate fifteen years of marriage to her publisher husband Peter. They have a lot to be thankful for - including two teenage children and the knowledge that, at thirty-five, they ve hammered out an enduring partnership that, at this age, many of their contemporaries are only just themselves embarking upon. But something is niggling at Faith. A casual, barbed comment by her bitchy magazine editor friend Lily makes her wonder whether her world is as wonderful as it seems on the surface. Peter has been behaving slightly oddly recently - but is this purely because of stress at work? Is Faith really too smug and trusting? As the kernel of unease swells and begins to burgeon inside her, Faith finds herself on a quest that leads to a shake-up of everything she holds dear - but which, in the end, enables her to reforge her life.
