What I do is very similar to what ice cream manufacturers do. I produce the same product again and again with essentially the same ingredients but with different flavors. The flavor of this month is atheism. The approach will be somewhat different. Atheism is more of a state of mind than an organized swindle as is religion, my usual target. Nonetheless atheists have stuck their noses into the god fraud business and they themselves are not above criticism. At least atheists got something right which is more than you can say of the religions. There is no such thing as god on 99 per cent of this planet. The Christians dont quite match those numbers in their heist of the Americas and introducing never-ending butcheries into Europe. What are the atheists numbers Just taking the Soviet Union, Red China, Cambodia, and North Korea, I would never have guessed that they too werent led by prelates. Theres the rub. The second button is your social program. Contents 1 The God...
