Tate Publishing Enterprises, United States, 2010. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.When seventeen-year-old Tiana moves to Hurricane, Utah, her comfortable world is turned upside down as she traverses the rough waters of adjusting to a small town and new school. Her father insists they were supposed to move here for some unknown, important purpose, and the voice in her head tells her not to argue. After resigning herself to being a miserable outcast, Tiana finds that she is not only accepted by most of the students at her new high school but is also the recipient of unwelcome attention from the opposite sex. But then she meets the mysterious Andrew Martin and is soon Over the Moon crazy about him. Andrew seems to be the perfect boyfriend: protective, tender, good with her parents, and a fabulous kisser. But he also has a few unusual qualities: an intuitiveness that borders on mind reading, a touch that seems to heal, and almost superhuman strength. Tiana marvels at his talents but doesn t seriously consider the implications until she can no longer ignore the clues: Andrew does not belong on Earth. When Andrew admits his true identity, Tiana enters a world previously unknown to her and is plunged into mortal danger as it is Andrew s sworn duty to combat evil, extraterrestrial villains who wish to invade Earth and enslave mankind. Join Diane Daniels for a romantic adventure in Over the Moon, which will take you to a world where the impossible comes to life.
