The glittering world of high society is the playground for the rich, titled, and reluctantly undead. Alec MacQuarrie s after-life has become an endless search for pleasure in an effort to overcome his heartbreak and despair. Wandering through the seedy world of London s demimonde, he s changed into a dark and fearsome creature even he doesn t recognize until he stumbles into a magical lass he knew once upon a time and sees a glimpse of the life he could have had. But the ton is no match for one incorrigible young lady. After watching each of her coven sisters happily marry, Sorcha Ferguson is determined to capture a Lycan husband of her very own. When she encounters Alec, she decides to save her old friend from what he s become, all while searching for her own happily-ever-after. Over his dead body is Alec going to allow this enchanting innocent to throw herself away on an unworthy werewolf, but that leaves him responsible for her, and he s the worst monster of them all. Praise for It Happened One Bite: Entertaining and engaging.Strong writing, a spunky heroine, a rakish hero, and a supernatural plot combine to make this story a delightful page-turner. -RT Book Reviews Wickedly sensual! You ll wish you had your own vampyre to make your heart race. -Love Romance Passion.
