Reviews

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehended almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

CROSSING BLACK WATERS

DOWNLOAD

Stephen F. Austin State University Press, Nacogdoches, 2011. Soft cover. Book Condition: New. Crossing Black Waters¿is an exploration of borders through one familys personal odyssey from the violent upheaval of the Partition of India in 1947 to emigrating to the U.S. The book delves into the psychological impact of leaving behind a past that keeps "pulsating behind swinging shutters of thought" to recreate lives and identities anew, and searches for "home"--a "lonely room in the [my] mind," a "heartache" at the "end of rainbows," or else a fictitious "country," built around "hubs" of friendships forged over "glasses of wine and tandoori chicken." A key phrase is "I am knot"--the "not" of losing ones identity and family coupled with the idea that one cannot truly be separate and is "knotted" with the past and kin for life.
