Brand New Book ***** Print on Demand *****.Rachel Porter s dreams of being dominated are finally about to come true. But can she live up to the demands of a real-life Dom? Rachel Porter is feisty, independent and horny. Her libido is taunting her with erotic dreams of being tethered and spanked by a gorgeous, dominant man and, as a result, she decides to pursue her fledgling interest in BDSM after her trusted Rabbit gives up on her. When she unexpectedly bumps into her sexy but demanding boss, Adam Stone, at Boundaries, an exclusive BDSM club, it seems all her dreams are about to come true. Adam is a strict and challenging Dom and it s not long before he has Rachel kneeling at his feet, right where she wants to be. Rachel soon comes to crave Adam s firm discipline, but when she becomes too flippant and deliberately provokes a spanking, she finds out that a real punishment is not as pleasurable as an erotic one. Nevertheless, her complete surrender during these punishments takes her to new heights she never thought possible. But Rachel also learns that one of the most important aspects of a BDSM relationship is trust, and that s the one thing she doesn t have. After a lifetime of betrayal, she s not about to risk losing her heart again. To make matters worse, when she learns that Adam s ex-wife was, in fact, his slave, she realises that she might have to give up more than she d bargained for if she s to remain his submissive.
