Brand New Book ***** Print on Demand *****.Excerpt from A Catalogue of Ritter Dental Equipment: Chairs, Engines, Lathes, Distributing Panels Air Compressors, Units Epuipments, Lonization Equipments, Spray Bottle Warmers, Air Fittings, Supplies and Accessories for the Above Now-a-days modern equipment is just as essential as modern methods of practice, for it is a generally conceded fact that the public is guided to a considerable extent not only by the reputation of the practitioner and his ability to do efficient work, but also by the appearance and equipment of his office. It requires time to demonstrate ability, but success which is usually coupled with ability, is immediately apparent in a modern office. Therefore money invested in new equipment installed in offices properly furnished and tastefully decorated is well spent. For more than a quarter of a century Ritter Dental Equipment has been made in accordance with the most approved manufacturing methods in a complete factory, thoroughly equipped with modern machinery, operated by skilled mechanics, and the product in turn has been marketed to the profession through dental dealers throughout the world, thereby enabling us to co-operate with the dealers in rendering service to the consumer, which service we consider a component part of Ritter Product. We have a competent organization to handle and render this service to members of the profession. Our years of experience in planning dental office suites including suggestions for the proper arrangement of equipment and furniture, appropriate decorations, harmonizing draperies and floor coverings, practical lighting fixtures, office systems and suggestions for stationery, announcement and appointment cards, has enabled us to be of material service to practitioners in all parts of the world. This service is entirely at the disposal of any...
