Dimensions: 9.0in. x 6.0in. x 0.3in.We know about the quantitative attributes of numbers but they also have qualitative aspects; they are much more than tools for counting, but emanations from the one. There cant be uncertainty or contradiction in nature which can be explained through mathematics based on ancient wisdom. Mathematics which is a flawless law eliminates feeling and reveals the same truth in abstract as well as the concrete world. As the spirit is submerged in matter while in the material body, its under veils of illusion; as one truth is revealed, another greater truth is behind it, and as the veils gradually fall, man evolves by controlling his body with his mind, and regaining the spiritual sight he lost in the learning process of the lessons of the tree of knowledge. This item ships from La Vergne,TN. Paperback.
