Jesus radiated joy while serving the people of his day, and showed no pride in his powerful gifts of healing and preaching. Pride has such a destructive effect that we need to be alert to its dangers. It can spoil relationships and split churches. Humility has a profound healing effect, but remains unadvertised due to its own quiet nature. This book focuses on the understanding and practical issues of these opposing subjects. How do you recognise pride? What does humility look like? Here you will find answers from scripture and human experience. The author reveals the devastating consequences of pride, and the tremendous blessings of humility. There is plenty of fuel to encourage character development.
