Brand New Book ***** Print on Demand *****.Assistant District Attorney Beverly Mendoza appears to have an open and shut case when she prosecutes Rafael Santiago for the murder of a judge and the sexual assault of his wife in Eagles Landing, a town in Northern California. Santiago was recently released from prison and had a grudge against the judge. But her case against the suspect is put in jeopardy when career criminal Manuel Gonzalez, arrested for the murder of a young woman, also confesses to killing the judge. As Beverly and Wilameta County Sheriff s Homicide Detective Stone Palmer try to sort out fact from fiction, a case of mistaken identity becomes a real possibility. Or is it more likely that two violent men with close ties are trying to beat the system? Further complicating matters is Beverly s romantic involvement with criminal lawyer turned judge, Grant Nunez, in an apparent conflict of interest. She also battles personal crises, including a father with Alzheimer s disease.
