Brand New Book ***** Print on Demand *****.Carefully created vows should not only fulfil legal requirements, they should touch everyone s hearts. They may make you cry. They may make your guests cry. However, they should not make anyone squirm, roll their eyes, or laugh with embarrassment. By guiding you step-by-step through the process, this book will show you how easy it can be to write vows that speak your hearts and your loving intentions towards each other in simple and honest words. It will also help you make the practical decisions needed when there are two brides, and to navigate the complexities of creating vows that comply with the legal requirements whatever they are.
