HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, David Beckham: My Side: The Autobiography (Enlarged edition), David Beckham, He may live in Madrid but he continues to make front-page headlines. This is David Beckham's own story of his career to date, for Manchester United, Real Madrid and England, and of his childhood, family and private life. Featuring David's first full account of a turbulent year in Spain, on and off the field, and England's fortunes in Euro 2004. This is Beckham's fascinating life story in his own words. His rise through the ranks at the biggest club side in the world. His complex relationship with United boss Alex Ferguson. The England story, from being vilified by the nation before returning as the prodigal son to eventually captaining his country. His acrimonious falling-out with his manager and departure from Old Trafford in June 2003. And starting a new chapter of his life on foreign soil in the glare of the world's press. Now from Beckham himself, we gain a vivid and eye-opening insight into the family man behind the famous footballer, the international model and fashion leader. He describes how he first met and then married ex-Spice girl Victoria Adams, and the upbringing of their two children Brooklyn and Romeo. How his family's every step is monitored by a posse of newshounds and paparazzi. Also, the influence of his parents, growing up as a shy youngster in the family home, and how their subsequent split affected him. Intimate and soul-searching, this is the real David Beckham like we have never seen before. NEW FOR THIS PAPERBACK EDITION: - Beckham's first season with Real Madrid from within the dressing room, with key stories on the likes of Figo, Roberto Carlos and Zidane. - His exclusive reaction to the sensational allegations about his...
