Brand New Book ***** Print on Demand *****.We conducted this assessment in conjunction with our responsibilities under 10 U.S.C. Section 1566, and in accordance with provisions of the Inspector General Act of 1978 as amended. As indicated, the FVAP is a major multidimensional program impacting numerous Federal, state, and local agencies and jurisdictions, and is subject to repetitive examination and reporting by various Federal oversight organizations. These oversight reports have focused on program compliance with law or regulation and assessed program effectiveness. Collectively, the reports form a substantial body of work to which senior public officials and those charged with governance can refer in shaping their decisions and actions. This report focuses on: the sufficiency of survey data used to manage and assess voting assistance program effectiveness; compliance with the MOVE Act requirement to establish a voting assistance office on...
