Brand New Book ***** Print on Demand *****.This is the no frills version of The Foraging Home Cook: it s a cookery book for home cooks who enjoy foraging for wild foods. Although there are no illustrations, all the recipes have been tried and tested and are aimed at people with some prior knowledge of foraging. Using foraged wild foods allows you to have a healthier diet and save the environment by keeping your carbon emission low. Do you want to live an environment-friendly and sustainable life?
