William Morrow & Company. Paperback / softback. Book Condition: new. BRAND NEW, Underground: My Life with Sds and the Weathermen, Mark Rudd, The leader of the student uprising of 1968 and founding member of the notorious Weather Underground tells his story--for the first time In 1968, Mark Rudd led the legendary occupation of five buildings at Columbia University, a dramatic act of protest against the university's support for the Vietnam War and its institutional racism. Rudd was the charismatic chairman of the Columbia chapter of SDS, Students for a Democratic Society, the largest radical student organization in the United States. After a violent police bust, the Columbia occupation turned into a student strike that closed down the entire campus, turning Rudd into a national symbol of student revolt. Rudd went on to become the cofounder of the Weatherman faction of SDS, which took control of the student organization and helped organize the notorious Days of Rage in Chicago in 1969. But Mark Rudd wanted revolution. Rudd and his friends sought to end war, racism, and injustice--by any means necessary, even violence. By the end of 1970, after a string of nonlethal bombings by the organization, Rudd, now one of the FBI's Most Wanted, went into hiding for more than seven years before turning himself in to great media fanfare. In this gripping narrative, Rudd speaks out about this tumultuous period, the role he played in its crucial events, and its aftermath, revealing the drama and tension, as well as the naivete of young activists, fighting in the name of peace and social justice, who...
