Brand New Book ***** Print on Demand *****.This is a history that looks at Otto van Bismarck s career and the way in which he modernized Germany. From the preface: The greater portion of the following pages were completed before the death of Prince Bismarck; I take this opportunity of apologising to the publishers and the editor of the series, for the unavoidable delay which has caused publication to be postponed for a year. With his letters and speeches, they will always remain the chief source for our knowledge of his inner life. The other authorities are so numerous that it is impossible here to enumerate even the more important. I must, however, express the gratitude which all students of Bismarck s career owe to Horst Kohl; in his Bismarck-Regesten he has collected and arranged the material so as infinitely to lighten the labours of all others who work in the same field. His Bismarck-Jahrbuch is equally indispensable; without this it would be impossible...
