Off the Grid: Re-Assembling Domestic Life (Innovative Ethnographies)

By Vannini, Phillip; Taggart, Jonathan

Routledge, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Off the Gridis an exemplary more-than-text based on exemplary ethnographic research. Many have spoken of the possibilities of utilizing more media in ethnographic work. Vannini and Taggart make this real, using photographs, video and sound recording as well as writing clearly and movingly about their subject matter in this book and related website. Through the engaging writing and the interwoven sound and visual media we are invited to explore the fascinating worlds of those who chose to live off of the grids of electricity and gas. In doing so we get a glimpse of life beyond other forms of power too, in ways which are richly suggestive of the ways we might all inhabit future worlds. Off the Grid is destined to stand as an exemplar of sensitive, creative ethnographic research for students, practitioners and the public at large." -Tim Cresswell, International Affairs, Northeastern University "In this theoretically sophisticated yet highly accessible book, Vannini and Taggart have provided us with an exciting, handsomely detailed account of those intrepid off-gridders who have set up home in the sparsely populated, isolated vastness of Canada. In dispelling...
