Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

DOWNLOAD PDF

White Crow Books. Paperback. Book Condition: New. Paperback. 324 pages. Dimensions: 8.4in. x 5.5in. x 0.8in.Published in 1884, The kingdom of God is within you is perhaps Tolstoys most significant work of non-fiction. Due to the Russian censors, it was first published in Germany, but its dominant idea of non-violence echoed across the international stage throughout the 20th century. In essence, the book is a defence by Tolstoy of the position on non-violence he adopted in My Religion; and therefore also an assault on the Orthodox Church. Nowhere, says Tolstoy, is there evidence that God or Christ founded anything like what churchmen understand by the Church. And in what it now proclaimed, Tolstoy believed the church was wasting its time: The activity of the church consists in forcing, by every means in its power, upon millions Russian people, those antiquated, time-worn beliefs which have lost all significance. Freshly informed by Quaker ideals of non-violence; and full of both story telling and rhetoric, here is Tolstoy calling for a change in consciousness in society. He does not accept that this social order, with its pauperism, famines, prisons, gallows, armies and wars, is necessary to society. That which is, is not that which must be. Rooted in the Sermon on the Mount, Tolstoys Christianity is not primarily concerned with worship or salvation, but with a new way of behaving in society - behaviour informed by the pointlessness and sin of violence. Tolstoy tellingly reflects on the army at work - whether in internal repression or in national wars - and asks: How can you kill people when it is written in Gods commandment Thou shall not murder Gandhi was overwhelmed by the book, said it left an abiding impression, and in time, a correspondence started between the two men. The book convinced...
