His bizarre will consists of the ultimate scavenger hunt, one that challenges even the most hardcore adventurer. A copy of the map to the mystery fortune ends up in the hands of adventurer Logan Nash, a budding treasure hunter who has forsaken that life after a near-death encounter with the unscrupulous treasure hunter Dr. Victor Kane. Nash is drawn back into that life by the hope of not only untold riches, but the promise of the ultimate adventure. Nash s pursuit of Braxton s treasure takes him from the depths of the sea to exotic lands spanning all four corners of the Earth where he faces romance, danger, and betrayal-and the nemesis of his past, who will stop at nothing to get his hands on the treasure.

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
