Breaking the Building Blockade (Classic Reprint) (Paperback)

By Robert Lasch

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Breaking the Building Blockade America will have better housing, says Robert Lasch, only when the people demand it - and that means only when you and I face the facts of the building blockade and understand how to break it. Here are the facts and here is a definite plan for providing adequate housing throughout this country. The author, an editorial writer for the Chicago Sun, has for several years been investigating the housing problem from every angle, and in clear, forceful style he now suggests a course of action that flows logically from the indisputable needs of our time. He measures the deficiencies of our present living conditions - they will shock most of the readers of this book. He describes the barriers that stand between us and decent living quarters at a price the ordinary American can afford - this is a book that minces no words. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work....
