Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book contains everything you need to know about starting a wedding photography business, by the end of the book you will have a good idea whether this is right for you because whilst it is a fun and rewarding career it can also be very stressful. This guide covers all areas of wedding photography, it covers things you probably haven t thought of, things that are very important to you as the business owner, and also to the bride groom. Topics covered include: - Preparation Organisation Technique Equipment Summary Of Shots Booking Form Posing Packages Plus many other important factors required to run a successful wedding photography business. Not everyone is cut-out or has the right temperament to be a wedding photographer, by reading this guide you will find out whether you have the temperament, ability, technique and patience to be able to cover a wedding in a professional manner, and to provide the happy couple with the important photographs that they have hired you for. This is a must read for anyone considering a career in not only wedding photography but, social photography as whole, including engagements, christenings, bar mitzvah s and any other social or celebratory event. This book will tell you if you have what it takes!.
