Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Unicorn Books, 2009. Paperback. Book Condition: New. ôNick RentonÆs new dictionary of stock exchange and investment terms has been extensively revised and expanded and I am sure it will provide a useful reference for all those investors who want to demystify the jargon and understand the terminologyö -Maurice L Newman AC, Chairman, Australian Securities Exchange This dictionary and Almanac is an essential reference tool for stock and property investors at all levels, from beginners to professionals and from students to retired persons. It cuts through the jargon so often used by stockbrokers, estate agents, financial planners and the media. This new enlarged edition has been updated to the middle of 2008 and now contains about 3300 terms. Abbreviations - an area of great puzzlement to many investors - are also extensively covered. The dictionary now contains many terms not found in similar works.
