Brand New Book ***** Print on Demand *****.Have you ever wondered why there are so many Christian denominations or why there seems to be so much division in what we call the Church ? In The Breaking of the Strong Man, Russell Traweek believes that it is because of one word, an ideal that has created an entire belief system that God never intended-autonomy. Pointing out that we certainly do not need another book that features someone s opinion on what the Church should be like, he sought to reveal what God s Word has to say about the Church. Using scripture to demonstrate that many churches do not reflect God s word, Traweek demonstrates that autonomy is a facade at the root of the destruction of the modern-day church in America. This is not a self-help book or one that is program driven, missions driven, or driven by any other man-centered approach. It is a book that will challenge you to ask the tough questions about your church, your denomination, and your traditions in order to hold them up to the truth of God s Word. Only then can we get back on track with God s intention for his Church.
