But it s all in the pockets of the rich. Mary decides her nimble fingers are better employed than sewing shirts for a shilling a piece. She uses her skills to great success and becomes the most celebrated of thieves known throughout the underworld as Jenny Diver. The Regulator, however, sees her as a threat to his criminal empire. There s only two ways to deal with rivals. Make them partners or crush them without mercy. Jenny takes up the challenge. London cannot serve two masters. Stakes are high. The hangman holds the prize for losers. Friends, lovers, foes alike, they fight and fear together in the Shadow of the Fatal Tree.
