Sixty Years of Christian Science: An Appreciation and a Critique (Paperback)

By Alfred W Martin

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This latest work from Mr. Martin s pen is unique among the books devoted to discussion of Christian Science. The fundamental ethical principles required of one who essays exposition and criticism of a movement which he does not represent are impartiality, sincerity, freedom of thought and expression, and these are characteristic both of Mr. Martin s Appreciation and his Critique. In the introductory chapter the reader s attention is drawn to the distinction between tolerance and appreciation. Tolerance, Mr. Martin says, is the willing consent to let other people hold opinions different from one s own; appreciation is eagerness to do full justice to those opinions. It is the spirit which grants to Christian Science a respectful hearing, persuaded that its thesis contains some measure of truth, and the more unpromising its appearance, the more diligent the search for it must be. Instead of rudely relegating the movement to the limbo of the ridiculous and the irrational, the spirit of appreciation endeavors patiently to determine what life-giving element it contains, what needs it satisfies, what wants it supplies...
