Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.With the help of this Smart and Easy Guide, you ll be able to carry out many of the routine home repair and improvement tasks by yourself. Authored by a seasoned handyman for an average home-owner, this practical home improvement and home repair book for DIY home projects simplifies repairs and improvements for a person with no prior skill-level. Packed with practical advice and insider-secrets , this home improvement and home repair book for DIY home projects offers much more value than its price, and reveals many simple but important details about common home tasks. The annual home repair costs are generally estimated at 1 of the home value-$3,000 per year for a $300,000 house-and this does not take into account the cost of major improvement, such as a new kitchen or a remodeled bathroom. Imagine how much you d spend over the next 10 or 20 years. Imagine how much you d save if you were doing even some of these repairs and improvements yourself. The Smart Easy Guide To Home Improvement Home Repair: The DIY House Manual for Do It Yourself Remodeling, Renovation Redecorating Projects can do that for you. There s one little problem, though-people usually either mess things up or injure themselves when they try to DIY. To many homes, a DIY project can mean: A house that looks like a junkyard Delays that seem to take forever Damage to the equipment that you re trying to repair Damage to the things that you re not trying to repair A scream of agony from the bathroom As a regular person, you may not be aware of even the correct tools that you d need...
