Createspace, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In his new Book, God, Yes! Hell, No! the Author, John Alexander Baker, quotes and questions passages from within the Bible. He very clearly points out inconsistencies, discrepancies and outright contradictions. After more than forty years of reading and studying the Bible, from cover to cover, John was still very much perplexed by it. He also read many books on Prophesies and even explored other religious views. But, there were still some things that bothered him as not seeming quite right. So, in 2010, John decided that he was going to read the whole Bible through again very carefully and make notes. This time, he was going to study it with a completely open mind, not as a believer and not as a disbeliever. The experience was very enlightening. The author shows, beyond any reasonable doubt, that there is no place of Eternal Punishment, (Hell is only the grave) and that there are many books missing from the Bible, which are mentioned in the Bible itself. He shows how both Hell and Religion have actually evolved in the Bible. To ignore the evidence laid out by the author, in his book, is to intentionally hide the truth from your self. That means that you would choose to be Self Deceived, rather than believe the truth that is presented very clearly in this book. Don t be like an Ostrich. An Ostrich buries its head in the sand because it doesn t want to know what s going to happen next. The author likes to think of his book as an Alarm Clock. If you set your alarm, it will wake you up at the correct time. If you...
