HarperCollins Publishers Inc, United States, 2003. Paperback. Book Condition: New. Reprint. 173 x 104 mm. Language: English . Brand New Book. The theft of the Book of Kells -- an exquisite ninth-century amalgam of Christian doctrine and Celtic legend -- from the Trinity College library is, in itself, a most shocking crime. But it is the brutal slaying of a night watchman that throws Peter McGarr of the Dublin Murder Squad into the mix. Forced to share investigative duties equally with a publicity-hungry co-Chief Superintendent, McGarr is soon entangled in a twisted web of murder, thievery, back-biting politics, and dark pagan rituals. And surely more blood will flow as secrets, deceptions, and well-guarded lies come to light -- forcing an intrepid detective to doubt the loyalties of even his closest compatriots -- in a chilling case that threatens to bring about nothing less than the destruction of contemporary Irish society.
